

# WHAT THE MAJOR ITALIAN GUIDES SAY ABOUT US

*The quality offered by Casa Sola is excellent. All the wines are characterized by extremely fine extracts, marked softness, and balsamic clarity to the nose. The most impressive are the Chianti Classico Riserva 2003, soft; the Montarsiccio 2001, tannic but still turgid. The freshest and most intense is the Chianti Classico 2004, the most powerful is the Vin Santo 1999 ... in sweetness, fluidity and planely exceptional.*

- ★ ★ *Montarsiccio 2001* **90/100**
- ★ ★ *Chianti Classico Riserva 2003* **87/100**
- ★ ★ *Chianti Classico 2004* **87/100**
- ★ ★ *Vin Santo del Chianti Classico 1999* **86/100**

*The Casa Sola wines aim higher, and to complete the finely made and pleasant products in their stock we must register the really excellent proof given by the Chianti Classico Riserva 2003. Keeping in mind the difficulties encountered in the vintage 2004 and the convincing results of of their Chianti Classico 2004, we can't do anything else but hope for an adequate confirmation with the next editions.*

*There is a new entry in the estate production, Pergliamici, fresh and easily drinkable, a sort of old style Chianti, with the presence of white grapes in the wine composition. Very well the Montarsiccio 2001 ... pleasant the Chianti Classico 2004.*
